SACCHA SAMARPAN is a registered national (**NGO**) working with different communities and partners Pan India to improve Human Well-Being.

Our main motive is to empower underprivileged children, youth and women through relevant education like technical education and vocational training. Our organisation helps and support people and communities affected by natural disasters all over the country.

Project: Clean India

Aware people to keep our environment clean & organise hygiene programmes.

Project: Say no to Plastic

Promoting self awareness among people by using paper bags & jute bags.

Project: Manzil

Empowering women & motivate them to enrol in skill development programmes.

NOTE: For many more projects, visit our website: www.sacchasamarpan.com
